2017 FREELANCE PRICE LIST

OPTIONS “Buying the Boat” reserves the boat for your party exclusively, and specifically for 3 or less anglers. This option is not cost prohibitive, please ask for details: Octubre’s cell is 907-738-3322

OPTIONS in fishing packages, the dates typically run consecutively. Occasionally folks want to fish longer, but sometimes 3, 4 or 5 consecutive days of fishing can be overwhelming, so talk to me & I will add a “Lay Day/ non fishing day” anywhere you see fit, but it must be scheduled well in advance.

DEPOSIT & BALANCE

How it works upon scheduling dates; :

- 1.) We email you all the details of your specific package.
- 2.) You are originally quoted the discounted rate on each person’s invoice
- 3.) The deposit due is 50% per angler
- 4.) Each group/person is given a deposit “due” date.
- 5.) If you choose to deposit in a form other than “plastic” I honor the discounted rate.

When either the deposit or the balance are paid in a form other than Cash, Personal Checks, Money Orders & Cashier Checks. The loss of the discount (adding 5.5%) will apply to the original balance which will include taxes, the charter package, and any other additional “extras” you may have chosen to add to your charter package.

- 6.) Balance is due on your arrival day to Sitka, AK

Loss of the discount ~ should any guest(s) in a “party” choose to use “plastic”, this only affects the specific person’s invoice & not those who chose the discounted rate.
